

ENGRAVING FORM

Boise VAMC Memorial Brick Walkway

The Boise VA Medical Center Memorial Brick Walkway exists on the grounds of the historic Boise VAMC campus to acknowledge the contributions of individuals, organizations, and entities.

Everyone who makes a monetary donation to the Boise VA Medical Center of \$100 or more may chose to have that individual donation acknowledged with an engraved brick in the Memorial Brick Walkway.

If you have already made a donation of \$100 or more in 2015 to the Boise VA Medical Center and you would like your donation acknowledged with an engraved brick, or if you are now interested in making a donation and receiving acknowledgment in the form of an engraved brick, please include this engraving form with your donation. **Installation of new bricks will occur quarterly throughout the year unless extenuating circumstances such as weather, loss of staff, etc. prevent installation at that time.*

Monetary donations to the Boise VA Medical Center can be made in cash, check or money order. Please make donations payable to the 'Boise VAMC GPF'

Each brick can include 1 symbol from the options given, and 3 lines of text with 16 characters of text on each line (including spaces and punctuation). If you do not wish to use a symbol you are able to have 20 characters of text on each line (including punctuation and spaces).

Please complete the attached form and mail it with your donation and/or donation receipt to:

**Boise VAMC
Memorial Brick Walkway (135)
500 W. Fort Street
Boise, ID 83702**
